Perhaps someone should review and investigate the area. There's trash

Its actually facing Adams Blvd, the trash can is full and they placed additional trash by the side. Its not necessarily re the a nuisance abatement (for months) ,not issue.  
But, thank you! Perhaps someone should review and investigate the area. There's trash build up and its only getting worse.

Hi Sandy,

Thank you for contacting LA Sanitation and advising of the trash overflow; which has been added to the pending request.

Re: Trash removal request Confirmation #: 1-15...

However, please be advised; a cleanup crew has been assigned to the homeless encampment, but because of the nature of the request, it can take up to 90 days for clean up.

If you need further assistance, please do not hesitate to contact us at 1 800 773 2489.
